

Important Notice: 2018-2019 Registration Forms

As NJ Youth Soccer continues to prepare registration for the 2018-2019 season, clubs may notice additional copies of the “Master State Player Registration Form” and the “Master State Travel Coach Registration Form” in their Stack Sports Form Builder. These copies may appear because of a required system update.

Please note that these additional 2018-2019 form copies are identical, and clubs do **not** need to switch registration forms for current and future 2018-2019 registration events. While no action is required, clubs may wish to delete these additional copies and can do so through the Form Builder in their Stack Sports account.

To delete these additional copies:

- When logged into your admin system, navigate to the Main Menu
- Select Registration > Administration > Form Builder
- Find the newly copied form in the list
- Click the trash can icon to delete the form

Sincerely,

NJ Youth Soccer
