Online Registration Set-Up 2018/2019 Season

Welcome to the 2018-19 season. Online registration through Stack Sports (formerly Blue Star Sports) US Soccer Connect software is underway for NJ Youth Soccer recreation and travel clubs throughout the state. Please be advised that during your next log-in to the Club and League Connect Product through the software, clubs may notice that there are new events in their system. To assist clubs in their preparation for the upcoming 2018-2019 season, the following two registration events were copied into US Soccer Connect:

- **2018-2019 Season - RECREATIONAL**
- **2018-2019 Season - TRAVEL**

These registration events are like last season and contain the questions necessary to complete the process. If you would like to use these new events for registration, edit the settings specific to your club and post it to your website. Additional information about the registration process can be found [HERE](#).

In addition, Stack Sports will be holding a webinar in July on how to create and manage new events. Clubs are encouraged to attend the webinar. NJ Youth Soccer will send signup link for this webinar shortly.

Note that if you do not wish to use these new events or have already opened the 2018-19 player registration through your club, then please be sure to delete the new events from your system. To do so, select the event in your folder tree and on the main menu, go to Edit > Delete Folder/Team

Each event consists of both a Family (*Player*) event and a Coach event. *With these new events, you also have new master registration forms in the system:*

- The questions on the master player registration form have not changed from the 2017-2018 season, so clubs may utilize either player registration form.

- There are two new master coach forms; one for recreation and one for travel. **If you are creating your own coach registration events, please use these new coach forms moving forward.** If you have already opened a coach registration, use the 2018-2019 form on your next event. These two new forms are titled:
 - **2018-2019 State Master REC Coach Form**
 - **2018-2019 State Master TRAVEL Coach Form**
