## INTRODUCTION & PURPOSE

The purpose of this document is to provide clear communication to the New Jersey Youth Soccer Association (NJYSA) Membership on playing policies.

This Document shall be posted and accessible online at [www.njyouthsoccer.com](http://www.njyouthsoccer.com) along with referenced appendices. NJYSA Board of Directors may review Member and Playing Policies Annually in preparation for each Seasonal Year. Beginning with the 2020-21 Seasonal Year policy revisions will reference the change date and implementation date (if different than the change date) for quick reference.

# Member Policies and Playing Rules

Note: Registration fees paid to NJYSA will NOT be refunded to Clubs that elect to disband a team.

After a team is formally disbanded by NJYSA, the players on that team are released and declared eligible to move to another team in accordance with the NJYSA and relevant Travel League policies. Players impacted by a disbanded team are not subject to the transfer maximums of players from another club. Disbanded teams, because of alleged poaching, may be subject to review by NJYSA prior to approval of transfer.

# Member Policies and Playing Rules

# Member Policies and Playing Rules

## 4.5 Travel Player Transfer or Release

Once a Travel Player is rostered to a Travel Team, the player is bound to that team for the entire seasonal year unless they are transferred or released through one of the processes below.

### 4.5.1 Competition Authority on Transfers or Releases

Players shall review and understand their Member Club and Competition Authority policies regarding sit-out and/or return to play policies with the seasonal year or the competition, prior to requesting a transfer or a release once the seasonal year has begun.

### 4.5.2 Release and Transfer Process Overview

Players requesting to transfer or be released must follow and complete the NJYSA online instructions.

#### 4.5.2.1 Release Process Overview

There are two types of releases.

- a) “Voluntary release” means the removal of a player from an activated team’s roster at the request of the player.
- b) “Involuntary release” means the removal of a player from an activated team’s roster at the request of a Club.

#### 4.5.2.1.1 Voluntary Travel Release

##### 4.5.2.1.1.1 Timing

A travel player may choose to be released from a travel team at any time and for any reason. Upon leaving a travel team, the player (18 years or older) or the player’s parent/guardian (17 years or younger) must honor their agreement with the club regarding the payment of fees owed, and the return of club owned property (e.g. uniforms and/or equipment, etc.).

##### 4.5.2.1.1.2 Initiating a Request for a Voluntary Travel Release

A player (18 years or older) or a player’s parent/guardian (17 years or younger) may request the “voluntary release” of the player to a club official.

- Club officials may not refuse to release a player upon receiving a request, unless the player has not honored the agreement reached with club officials regarding the payment of fees owed, and the return of club owned property (e.g. uniforms and/or equipment, etc.).
- Once a release request is received, club officials must approve the release with the NJYSA State Office within thirty (30) business days or contest the release due to the payment of fees owed or the return of club owned property (e.g. uniforms and/or equipment etc.).

# Member Policies and Playing Rules

## 4.5.2.1.1.3 Void of Voluntary Travel Release

A “voluntary travel release” is voided if the player (18 years or older) or the player’s parent/guardian (17 years or younger) wishes to roster to a travel team within the same seasonal year in which the “voluntary release” is granted. “Voided” means that the player shall be rostered to the original travel team from which the “voluntary travel release” was granted.

## 4.5.2.1.2 Involuntary Travel Release

### 4.5.2.1.2.1 Justification for an Involuntary Travel Release

A player may be “involuntarily released” only for the following reasons:

- The player has violated rules of the Federation, US Youth Soccer, NJ Youth Soccer, or the member of the State Association through whom the player is registered;
- The player is injured in such a manner he/she will not be able to participate for the remainder of the seasonal year;
- The player fails to meet his/her financial obligations to the club;
- The player, the player's parents/guardians, or anyone associated with the player are disruptive influences.

### 4.5.2.1.2.2 Initiating a Request for an Involuntary Travel Release

Requests for the “involuntary release” of a travel player must be submitted by a club official in writing to the NJYSA Executive Director or his/her designee with a copy to the player (18 years or older) or the player’s parent/guardian (17 years or younger) for a determination if the request will be approved by the NJYSA Executive Director or his/her designee.

### 4.5.2.1.2.3 Joining a New Travel Team Following an Involuntary Release

Once a player is “involuntarily released” from a travel team, the player is free to join another travel team subject to the same restrictions as if the released player were transferring to the new team from the team from which they were released.

## 4.5.2.2 Transfer Process Overview

There are two types of transfers.

- a) “Interclub transfer” means the removal of a player from a team’s roster on the request of the player, and the simultaneous addition of the player to the roster of another team in a different member Club.
- b) “Intraclub transfer” means the removal of a player from a team’s roster at the request of the player and the simultaneous addition of the player to the roster of another team from the same member club. This differs from a “club pass” player which does not require a change of primary teams within the same Club.

# Member Policies and Playing Rules

- c) All transfers (both interclub transfers and intraclub) count towards the number of travel team roster spots referenced in section 3.3 and transfer maximums referenced in section 4.5.3.

## 4.5.2.2.1 Interclub Travel Transfer

### 4.5.2.2.1.1 Conditions for Interclub Travel Transfer

- “Interclub travel transfers” may only occur between activated teams.
  - Players requesting to transfer from an activated team to an un-activated team must wait to transfer until after the destination team is activated.
  - Players requesting to transfer from an un-activated team are not considered a player transfer and should request the club they are leaving to cancel their application and then apply directly to the club they wish to join.
    - Requests to cancel an application for players that are not assigned to a team at all, or assigned to an un-active team may occur at any-time subject to the following conditions:
      - The parent/guardian of the player (17 years or younger) or player (18 years or older) did not agree to an offer to play with the team they are leaving and/or did not register with the club they are leaving for the seasonal year, or
      - The player has met all obligations, including financial and property, for the seasonal year to the club from which the player is requesting cancellation from, or
      - The player moves to a new residence which is 30+ miles from their current residence, or
      - When club officials from the leaving club agree to the player application cancellation.
    - If a player application is not cancelled or assigned to an active team within 30 days of the cancellation request, then the club is assumed to agree with the request and is representing that all obligations, including financial and property, have been met by the requesting player.

# Member Policies and Playing Rules

- A travel player may only initiate an “interclub travel transfer” during the following times:
  - Open transfer window for a seasonal year (September 1<sup>st</sup>, 20XX – August 31<sup>st</sup>, 20YY):
    - between December 15<sup>th</sup>, 20XX and February 15<sup>th</sup>, 20YY of the seasonal year, and

  - Any time subject to the following conditions:
    - The player moves to a new residence which is 30+ miles from their current residence.
    - The parent/guardian of the player (17 years or younger) or player (18 years or older) did not agree to an offer to play with the team they are leaving and/or did not register with the club they are leaving for the seasonal year.
    - The team the player is leaving does not register with an NJYSA member travel league for a period of fall or spring league play.
    - When club officials from both the leaving club and the destination club agree to the player transfer.
- A player must meet all obligations, including financial and property, for the seasonal year to the club from which the player is transferring.
- An “interclub transfer” must be approved by: (1) a club official from the travel team the player is transferring to (“destination travel team”); and (2) a club official from the travel team the player is transferring from (“original travel team”).
  - An “uncontested transfer” is an “interclub transfer” that is accepted (approved) by both the “destination travel team” club official and the “original travel team” club official.
  - A “contested transfer” is an “interclub transfer” which is not accepted (not approved) by either the “destination travel team” or the “original travel team.”
  - A club official who does not reject or accept a request for player transfer within 30 days of the initial application is assumed to agree with the transfer request and is representing that all obligations, including financial and property, have been met by the transferring player.

# Member Policies and Playing Rules

- A player with permission to secondary card to another travel team must notify their secondary team of the transfer of their primary membership and may not play with the secondary team following their transfer being accepted (see section 4.4.2 Voiding a Secondary Permission).

## 4.5.2.2.1.2 Uncontested Travel Transfer

“Uncontested travel transfers” become effective following approval of the transfer application by the “destination travel team” and the “original travel team.”

## 4.5.2.2.1.3 Contested Travel Transfer

## 4.5.3 Transfer Maximums

### 4.5.3.1 Interclub Transfer Maximums

The maximum number of players permitted to complete an interclub transfer into a team roster during a seasonal year is as follows:

6U – 7U (4v4)	No Limit

### 4.5.3.2 Intraclub Transfer Maximums

There is no limit to the number of intraclub transfers permitted into a team roster during a seasonal year, except in cases where the completion of an intraclub transfer would otherwise cause a roster to violate the Minimum or Maximum Travel Team Roster Size and/or exceed the Maximum Number of Team Roster Assignments in a Seasonal Year as defined in Section 3.3. Travel Team Roster Sizes.

## 4.5.4 Policy for Clubs Expanding the Number of Travel Teams During the Seasonal Year

### 4.5.4.1 Definition of “Expansion Teams”

Additional teams (“Expansion Teams”) may be added by a club during a seasonal year when enough travel players register with the club but cannot otherwise be added to an existing active team at that gender and age due to roster limits. When this occurs, it may be necessary for the club to transfer players from an existing active team to the “expansion team” to balance the number of players between teams.

### 4.5.4.2 Conditions to Add Existing Players to “Expansion Teams”

- Requests to add an expansion team need to be submitted in writing to NJYSA and include all requested information.
- Expansion teams which include “intraclub transfer” players may only be added:
  - between December 15<sup>th</sup> and February 15<sup>th</sup> of the seasonal year
  - after June 1<sup>st</sup> of the seasonal year
- The current active team(s) from which players may be moved and the new “expansion team” are required to have a minimum number of rostered players which is one (1) player above the maximum number of field players for the age group of the team (e.g., 12 players for 13U+, 10 players for 11U & 12U, 8 players for 9U & 10U, and 5 players for 7U & 8U).
- The “interclub transfer” limit is not to be exceeded for any teams.
- The “intraclub transfer” limit may be exceeded for the “expansion team.”

## 5 Travel Coach Policies

### 5.1 Travel Coach Passes

Each Travel coach must present to the referee a valid NJYSA Coach pass prior to participating in any NJYSA sanctioned event or competition. Coaches without a pass or who do not present a valid pass (e.g., missing photograph) are ineligible to participate in a game and may be subject to sanctions.

### 5.2 Coach Add, Transfer or Release

NJYSA registered coaches may be added to other team(s) without being released from their original team. Coaches may be carded to more than one team, boys or girls. Coaches may not have multiple memberships with NJYSA.

### 5.3 Poaching

#### 5.3.1 Player's Right to Choose

- 5.3.1.1 All players have the right and opportunity to choose which team, club, or tryouts they wish to attend. No team, club, or NJYS member league may violate, infringe, or restrict this basic right for players in any manner. Players, parents, and coaches must also recognize that players are bound to the team for the entire seasonal year (September 1 – August 31) once they sign a player registration form, subject to the Bylaws of NJYS and their member leagues regarding player transfers and when a player voluntarily quits. Poaching is considered a significant offense by NJYS and any individual, team, club or found to have committed a poaching violation shall be subject to sanctions as determined by the NJYS Appeals and Discipline Committee, in its sole and absolute discretion. Such sanctions may include financial penalties, loss of coaching privileges, and ineligibility to participate in NJYS authorized events.
- 5.3.1.2 All coaches, players, team representatives, club and team administrators and parents are prohibited from poaching players from another team. Poaching is generally defined as directly or indirectly, through your own actions or the actions of anyone else associated with your team, encouraging a player to leave his/her current team to join another team outside of that player's current team, club, or other organization.

# Member Policies and Playing Rules

- 5.3.1.3 The following represents a non-exclusive list of inappropriate poaching that restricts, violates and/or infringes upon the “player’s right to choose” and are prohibited under this section. They are presented here to not only give examples, but to help express the spirit of the policy.
- i. Informing a player that he/she will lose their spot or will not be offered one if he/she elects to attend tryouts of other teams, clubs, or academies.
  - ii. If a team, club, or holds tryouts on more than one occasion and deliberately requires a player to attend all of them in order to prevent the player from attending the tryout of any other team or club.
  - iii. Requiring that a player commit to the team, club, or as a condition to attend tryouts.
  - iv. Requiring that a player immediately commit to join that team, club, or academy before leaving the field at the end of the tryouts.
  - v. Making any offer to join a team or club prior to the tryout date(s) (inapplicable to a player’s current team or club).
  - vi. Failing to cease and desist from any and all poaching activity directed toward a player upon request from the player or the player's legal guardian.
  - vii. Allowing any surrogate, agent, and/or representative to engage in poaching activities prohibited herein, or elsewhere in the NJYS Bylaws and Policies.
  - viii. Making derogatory remarks regarding other coaches, teams, and organizations when discussing the advantages of their own organization.
  - ix. Promising any kind of compensation to a player.
  - x. Attempting at any time prior to the approved date of any seasonal year, as determined by NJYS, to entice a registered player (or their parent/guardian) to leave their current affiliation before the end of the current seasonal year.
  - xi. Attempting at any time prior to the approved date of any seasonal year, as determined by NJYS, to entice a registered player (or their parent/guardian) to leave their current affiliation for the following seasonal year.
  - xii. Utilizing confidential contact information acquired as a direct result of being affiliated with a particular team, club, or league to communicate with parents or players for the purpose of enticing the player to change teams.
- 5.3.1.4 Teams or clubs may not initiate contact with a player concerning a transfer. A player may elect to contact another team. Once contact has been made by a player the team may contact that player but may not formally register that player for the upcoming seasonal year. This also includes ID Clinics.

# Member Policies and Playing Rules

- 5.3.1.5 Any player, parent, guardian, teams, club, or league may bring complaints against any individual, team, club or for infringement, violation, or restriction of the “Player’s Right to Choose.”
  - 5.3.1.6 Allegations of poaching are very serious and should be based on concrete facts rather than hearsay and innuendo. Documentation of poaching violations must be submitted in writing to the league and NJYS (see NJYS Discipline & Appeals Manual for details).
  - 5.3.1.7 For purposes of this rule, contact is not limited to personal contact, but will include contact by phone, text, emails, and social media. Responsible representatives include but are not limited to parents of team members, trainers, team managers, club or league board members, and club or league directors of coaching. The appropriate response by the responsible representative to player-initiated contact is to notify the player’s current club of the contact, and to provide requested information without attempting to induce the player to change affiliation. Any recommendation for the player to attend training, tryouts or any other team, club or league soccer event by the representative would be inappropriate and considered an attempt to induce a player to leave their present soccer organization. A club or league advertising on their own website is not considered poaching.
- 5.3.2 [Poaching Complaints](#)
- 5.3.2.1 *Complaints regarding allegations of poaching should be reported to NJYS (see Discipline & Appeals Manual for procedures).*
  - 5.3.2.2 All complaints regarding allegations of poaching must be accompanied by conclusive documentation establishing what the complaining party reasonably believes to be inappropriate poaching, in accordance with the terms of this policy as well as the established appeals fee. NJYS and the NJYS Appeals and Discipline Committee preserves the right to summarily deny any complaint, without hearing, if the complaint is inadequately supported by documentation, in the sole and absolute discretion of NJYS.
